WDC EXPANDS WDC WORLD RANKING

The World Dance Council is pleased to announce that the Board of Directors of the WDC have, due to the massive growth in the interest in the WDC World Ranking and number of Professional competitors, decided to expand the WDC World Ranking and create a new tier of events, called

WDC WORLD RANKING EVENTS.

This new exciting tier of events slots in under the WDC World Super Series events and will carry 50% of the World Ranking points allocated to the Super Series events.

This new Series will allow existing and new organisers to become an official WDC World Ranking event and will add further possibilities for couples to gain those points in order to receive Wildcards for WDC Championships and WDC World Ranking Awards at the end of each year!

The number of events to be accepted as a WDC World Ranking event each year in addition to the WDC World Super Series events is strictly limited, so apply soonest to avoid disappointment.

The Board of Directors and Competitive Dance Executive Board are inviting organisers to apply for 2012 and onwards now on office@wdcdance.com.

Terms and conditions for applications are available on request from the WDC Head Office.

Yours sincerely,

Hannes Emrich
General Secretary & Company Secretary, WDC Ltd.
